

## **Ignacio Ulery**

*Associate – Montevideo*

Ignacio Ulery is an Associate at Andersen Tax & Legal in Uruguay. As an attorney, he provides legal advice to the firm's Litigation Division, as well as in the firm's Corporate Division, advising multinationals and individual investors and representing them in trials. He has experience in labor, family advice, civil and business law.

Currently, he teaches law and civic education at a distinguished local high school.

In his practice as a litigation and counseling attorney, Ignacio has accumulated experience in several areas, including:

- Advising clients on labor matters, and providing assistance in both litigation and voluntary agreements
- Advising companies and individuals in claims against public entities for damages caused by easements, public bids and misadministration
